

CUSTOM DOOR PROGRAM

E. ROKO
DISTRIBUTORS

Your supplier for quality, custom
wood and PVC cabinet doors and
drawer fronts

PVC DOORS

A durable and versatile industry standard. PVC doors are made with a MDF core and pressed vinyl to create your custom style.

Available in 100+ styles and fully customizable by choosing:

- VINYL COLOUR
- PANEL DETAIL
- INSIDE EDGE PROFILE
- OUTSIDE EDGE PROFILE

WOOD DOORS

The classic choice of cabinet makers. Quality craftsmanship customized for your project, available in countless species and finishes.

Wood doors are available unfinished, sanded, or painted or stained by the manufacturer. Customize your doors by choosing:

- FINISH
- PANEL DETAIL
- INSIDE EDGE PROFILE
- OUTSIDE EDGE PROFILE

MDF DOORS

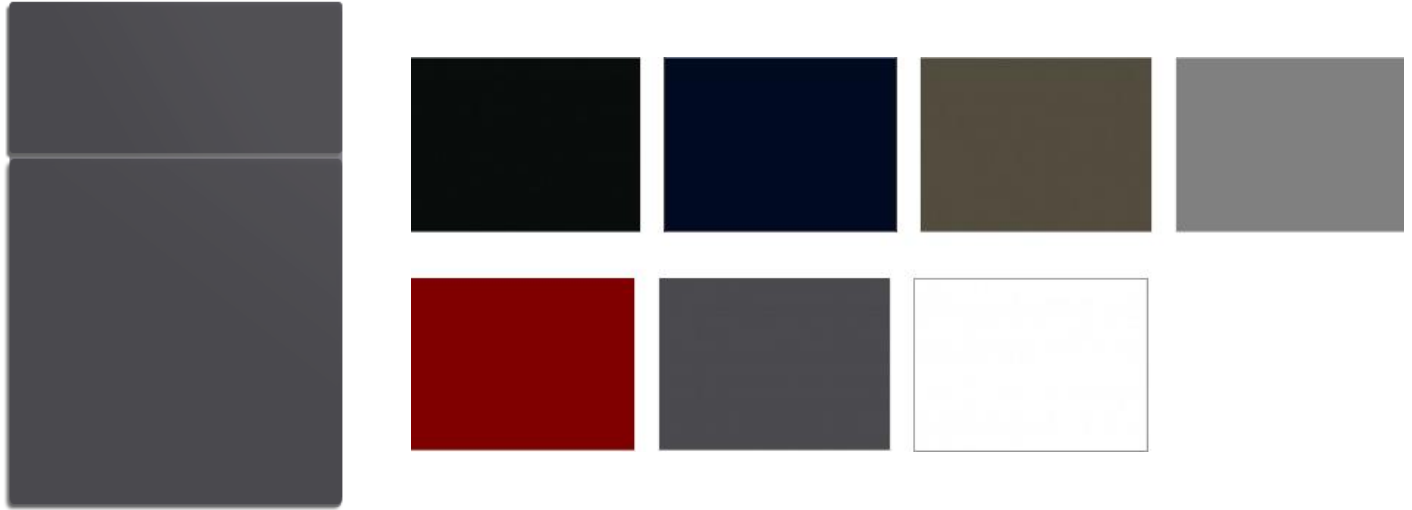

1 Piece MDF doors are a cost effective hybrid for those wanting a painted, solid wood door. Available finished or unfinished in unlimited styles.

MDF doors are available unfinished, sanded, or painted or stained by the manufacturer. Customize your doors by choosing:

- FINISH
- PANEL DETAIL
- INSIDE EDGE PROFILE
- OUTSIDE EDGE PROFILE

PET SLAB DOORS

Our Panelartz PET is pressed on MDF slabs with matching edgetape to create a modern high gloss or super matte door. These doors match Eroko's PET panels offered in 7 colours.
